

# The Story of TCCC

## Like Never Before Experienced

*TCCC (Tactical Combat Casualty Care):  
the new way that America cares for its combat wounded*

**This is a medical book like no other because it  
is a combat medical story like no other.**

From Frank Butler, Kevin O'Connor, and Jeff Butler comes the never before captured story of the birth and journey of the Tactical Combat Casualty Care (TCCC) protocols. *Tell Them Yourself – It's Not Your Day To Die* is the gripping story of the intense battle to save lives. It captures the pain of loss, the courage to make tough decisions, and the victory of seeing lives saved.
